In the heart of the European Union, visitors flock to Brussels for a range of reasons from the stunning architecture, to the thrilling history, as well as some of the most interesting cultural sights in Belgium. But there's also a fun side to our city.

If you don't have time to see everything you want to see in the whole of Europe why not still get a small taste at Mini-Europe, where visitors can experience Europe in an afternoon's walk. It's especially popular amongst the little ones whose legs can easily tire out when strolling the real streets and boulevards of Europe.

Mini Europe was recently nominated by the travel experts at Expedia as one of the most unique theme parks in the world. The article, ['World's Most Unique Theme Parks'](#), also named Hotel Des Galeries as the ideal place to stay on your trip to Brussels.

When you're ready to rest after your busy day in the city, Hotel Des Galeries is the quiet haven you need to help you relax and recharge for another day of adventure. We are located close to the Grand Place with its larger-than-life monuments and restaurants, putting you in the luxurious heart of the city.
